Re: Adjudication Claim(s) A31-07093, 7132, 7133, 7134, 7136,
7228, 7229

Dear Water User:

We are currently in the process of reviewing adjudication claims in Basin 31, in preparation for submitting recommendations to the Snake River Basin Adjudication Court.

In reviewing your claim(s) listed above, it appears the irrigated acreage exceeds what is authorized by the claim(s). To provide for irrigation of the additional acres, you need to file an "enlargement claim" or perhaps amend the claim(s) listed above.

Please contact me at (208) 525-7161 if you have further questions or would like to make an appointment to file or amend a claim.

Sincerely,

Byce A. Contor

Re: QNT remark, Enlargement

Right 31-10699 is claimed and recommended as an enlargement of 31-07093, 31-07136, 31-07137, and 31-07138. Because it is not delivered out of the same well as these rights, and because the delivery systems are not interconnected, the usual combined and individual POU limitation remarks are not used.

Because 31-02365A, 31-02365B, and 31-02374D are diverted out of the same diversions as either 31-10699 or the rights from which it is enlarged, all these rights are included in a QNT combined diversion rate limitation remark. The limited quantity (11.58 cfs) is the sum of the recommended diversion rates for all these rights. NWMD records show an approximate combined capacity of 13.7 cfs for all the systems.

31-10699 was originally proposed for disallowal because additional diversion capacity was developed along with the enlargement. Per consultation with Assistant Attorney General Candice McHugh, this claim is recommended and the claimant is invited to apply for a permit for the additional diversion rate.

Generally, my agent shall have power to do and perform all matters, transact all business, and make, execute and acknowledge all contracts, orders, deeds, mortgages, leases, assignments, assurances, and instruments of every kind which may be requisite or proper to effectuate the purposes of this general power of attorney.

2. Specific Powers.

Without in any way limiting the generality of the power and authority conferred upon my agent by this instrument, my agent shall have and may exercise each of the following specific powers:

(a) Power to Acquire and Sell. To acquire, purchase, exchange, grant options to sell, assign, release, convey, mortgage, hypothecate, lease and accept and take possession of real and personal property and interests therein, both tangible and intangible, upon such terms, conditions and covenants as my agent shall deem proper and to sign, seal, execute and deliver and acknowledge such deeds, leases, contracts, assignments, indentures, agreements, mortgages, deeds of trust, bills of sale, security agreements and related forms, exchange agreements, bills, bonds, notes, receipts, releases and satisfactions of mortgages, security interests and judgments and such other instruments in writing as shall be proper.

To borrow moneys on my behalf and to sign, seal, execute, deliver and acknowledge on my behalf such promissory notes, bills, bonds, or other evidence of indebtedness and such mortgages, deeds of trust, security agreements, pledges, or other documents to secure the payment of borrowed funds as my agent shall deem proper. To make, receive and endorse checks and drafts, deposit and withdraw funds, acquire and redeem certificates of deposit, in banks, savings and loan associations and other financial institutions, and to release such mortgages, deeds of trust, or other security instruments as may be necessary or proper in the exercise of the rights and powers herein granted.

(c) Powers of Collection and Payment. To forgive, request, demand, sue for, recover, collect, receive and hold all sums of money, debts, dues, commercial paper, checks, drafts, accounts, deposits, legacies, bequests, devises, notes,

interests, stock certificates, bonds, dividends, certificates of deposit, annuities, pension, profit sharing, retirement, social security, medicare, insurance, and other contractual benefits and proceeds, all documents of title, all property and property rights, real or personal, intangible and tangible, and demands whatsoever, liquidated or unliquidated, now or hereafter owned by, or due, owing, payable or belonging to me, or in which I have or may hereafter acquire an interest; to have, use, and take all lawful means and equitable and legal remedies and proceedings in my name and for the collection and recovery thereof including the enforcement of mortgages, deeds of trust and security instruments, and to adjust, sell, compromise, and agree for the same, and to execute and deliver for me, on my behalf, and in my name, all endorsements, releases, receipts or other sufficient discharges for the same. To pay and discharge all debts and demands due and payable or which may hereafter become due and payable by me to any person or persons whomsoever.

(d) Management Powers. To maintain, repair, improve, invest, manage, insure, rent, lease, encumber, partition and in any manner deal with any real or personal property, tangible or intangible, or any interest therein, that I now own or may hereafter acquire, upon such terms and conditions as my agent shall deem proper, and to transfer any or all of my assets to the trustee of any revocable living trust which I may have created.

(e) Motor Vehicles. To apply for a certificate of title upon, and endorse and transfer title to, any motor vehicle, and to represent in such transfer assignment that the

title to said motor vehicle is free and clear of all liens and encumbrances except those specifically set forth in such transfer assignment.

5. Successor Agent.
