Re: Amended Adjudication Claim A31-07110

Dear Mr. and Mrs. Barzee

In reviewing the aerial photographs of your farm, it appears that you actually irrigate a wedge shaped piece of land on the north edge of section 23. However, the Adjudication Claim only claims lands in section 14.

In order to more accurately reflect your use of your water right, and to allow me to make an accurate recommendation to the Snake River Basin Adjudication District Court, I have prepared the enclosed Amended Claim A31-07110.

Please review this claim carefully, and return it with a notarized signature if you believe it accurately represents your use of water. Please also correct the address on the claim. There will not be a fee.

I carry my notary stamp back and forth with me, and I'd be glad to stop by and notarize this claim on my way to or from work.

Please call me if you have questions.

Sincerely,

Bryce A. Contor
Senior Water Resource Agent
