RE: Telephone Conversation - Guy Erikson

I called Mr. Erikson this afternoon with a question on the address as a result of the amended claim for pre-licensing purposes received 01/24/91. Although the claim carried the address corresponding to that in the permit and license file, Mr. Erikson told me he preferred to receive Notice of the Director's Report at the Rexburg address. As a result, I did not modify the name and address record as shown in the amended claim.

In addition, without regard to the telephone conversation, please be aware the R record for this claim contains the 10-acre tract, shown on the initial claim for the point of diversion, while the amended claim as the result of licensing, was without this further description.
