RE: Notices of Claims

Dear Mr. Roundy:

The Department of Water Resources is returning your check #3774 for \$1970.00 and the the three Notices of Claims because of insufficient fees and the need to modify the notices before they can be receipted.

A review of the claims reveals it would be preferable for you to schedule an appointment to visit our office rather than attempting to explain the needed changes in a letter.

Taking the necessary action to receipt your claims within 30 days will avoid assessment of a late filing fee. During the next couple of weeks there is time available to schedule an appointment. We expect water users from Fremont County to start making appointments which may make it difficult to get in later in January.

Respectfully submitted,

Ernest Carlsen
