TRUST AGREEMENT

The Reed Saurey Trust

Department of Water Resources
Eastern District Office

This Trust Agreement made and entered into this 14 day of JANUARY, 1990, by and between Elaine Saurey, hereinafter called Grantor, as the Personal Representative of the Estate of Reed Saurey and pursuant to directions and approval of the Magistrate Court of Madison County, Rexburg, Idaho, wherein the Estate of Reed Saurey has been probated, and Elaine Saurey, personally, hereinafter called Trustee and is executed to establish the trust previously agreed to pursuant to both the will of Reed Saurey as well as the Agreement of Heirs heretofore filed in the probate of the Reed Saurey Estate, for the benefit of Robert Saurey, hereinafter referred to as Beneficiary.

WITNESSETH:

1. Trust Property. Grantor does hereby grant, convey, transfer and deliver to Trustee, to be held and administered pursuant to the terms of this Trust Agreement the following described property:

All property described on attached Exhibit 1 which is incorporated herein by reference.

2. Name of Trust. This trust shall be known as The Reed Saurey Trust.

3. Irrevocability. This Agreement, and the trust hereby created, shall be irrevocable and shall not be altered, amended, revoked, or terminated, in whole or in part, by Grantor.

4. Term of Trust. This Trust shall terminate on the 25th birthday of Robert Saurey or at the death of Robert Saurey, whichever shall first occur. At the termination of the Trust, all trust assets less accrued expenses to date of termination shall be disbursed to Robert Saurey, or in the alternative to his estate, should he die prior to obtaining his twenty-fifth birthday.

5. Beneficiary. The trust shall be for the benefit of Robert Saurey, the son of Reed Saurey and Elaine Saurey, currently residing at 3778 North 2000 West, Rexburg, Madison County, Idaho.

6. Dispositive Provisions. Annually, the Trustee shall account to Robert Saurey for the income of the trust. From said income the Trustee shall first deduct all expenses in managing and/or operating the trust property as well as any expenses of Trustee. All remaining income, if there be any, may then be distributed to Robert Saurey, in the discretion of the Trustee should the Trustee determine that the needs of Robert Saurey require such distribution. Any remaining net income of the trust not distributed to beneficiary shall be added to the corpus of the trust.

7. Trustee; Power & Duties. To carry out the purpose of the trust established herein, Trustee, and any successor Trustee is vested with the following powers and duties with respect to the trust estate, in addition to those powers and duties now or hereafter conferred by law, all of which shall be exercised in a fiduciary capacity, primarily in the interest of the Beneficiary.

Trustee shall file with the Court, annually, a summary of the trust detailing, in brief, the management of the trust property and/or investment of the same; the income generated by the trust; the expenses incurred in the management and/or operation of the trust; and any fees claimed by the Trustee together with a statement by the Trustee of how any remaining net income generated by the trust was disposed of, either by payment of the same to Beneficiary or by adding the same to the trust corpus. Trustee shall further keep accurate books of account of all transactions pertaining to the trust and shall furnish a copy thereof upon request to Robert Saurey.

The duty to file all necessary tax reports.

The right to consult with and/or employ legal counsel for purposes of advising Trustee on any trust matter, including but not limited to the sale or purchase of trust assets, exchanges, leases of trust assets, investment of trust funds or retention of trust funds, or such other matters and/or legal proceedings as the same may reasonably be deemed necessary by Trustee.

The right to receive reimbursement from the trust for all reasonable and necessary expenses on behalf of the trust, and in addition to receive reasonable compensation for services rendered.

Trustee shall have investment powers and duties in addition to those now or hereafter conferred by law, as follows:

(a) The power to continue to hold, or in the discretion of Trustee, to sell or join in selling any property which is part of the trust.

(b) The power to invest and reinvest the trust assets in every kind of property, real, personal or mixed, and every kind of investment, specifically including but not by way of limitation, corporate obligations, stocks, preferred or common, mutual funds, mortgages, and common trust funds administered by Trustee, which men of prudence, discretion and intelligence acquire for their own account.

8. Trustee Resignation, Successor. Trustee has the right to resign upon thirty (30) days written notice to Grantor and in the event Trustee resigns, or fails, refuses, or ceases to serve for any reason, then a successor Trustee shall be appointed by Grantor, or in default thereof, by a Court of competent jurisdiction.

A successor Trustee must be a bank possessing trust powers, or a qualified individual, independent of Grantor and Beneficiary.

Upon the effective date of a resignation, the Trustee so resigning shall convey, transfer, deliver and pay to the successor, in trust, all of the trust property then in control or possession of the resigning Trustee.

No Trustee shall cease to serve until a successor has been duly appointed and qualified, and has accepted in binding form, the duties and responsibilities of Trustee and has accepted conveyance of the trust property.

If Trustee shall be consolidated, merged, or succeeded by any other corporation having authority to act as a corporate trustee in Idaho, such other corporation shall automatically succeed to the rights, powers, and duties of the Trustee so serving.

Any successor Trustee shall be clothed and vested with all rights, duties, and powers, whether discretionary or otherwise, as if originally named Trustee. No successor trustee shall be liable or responsible in any way for any acts of faults of any predecessor Trustee, or for any loss or expense from or occasioned by anything done or neglected to be done by any predecessor Trustee.

9. Spendthrift Clause. No interest of the Beneficiary in this trust created hereunder shall be subject to assignment, alienation, pledge, attachment, or claims of creditors of Beneficiary, and may not otherwise be voluntarily nor involuntarily alienated nor encumbered by Beneficiary.

10. Governing Law. This Trust shall be governed by the laws of the State of Idaho.
