bcontor	11/7/00	Combined use limitation	License has a combined use limitation referencing "the same lands" in combination with license 31-7063. This appears to stem from an error in the original land list on the licensing exam for 31-7063, which error is not carried to the license.
bcontor	11/7/00	combined use limit	Because the rights as recommended do not have any overlap of POU, the limitation is not carried forward to the recommendation.
