Re: A31-10238 Evidence of Priority:

In 1960 we filed on the east half of Section 2 Township 8 N Range 33 E B.M. after considerable negotiations a 20 acre material ~~site~~ site was exempted from this filing by the Bureau of Land Management for a material site.

As we developed the rest of the land entry. This ground was included in the development and farmed with the rest of the desert land entry.

In 1982 the Bureau of Land management sited us for trespass for irrigating and farming this ground.

On August 20, 1985 through numerous negotiations we purchased this tract of land from the Bureau of Land Management. at that time we filed for a water permit
