Payment has not been received as directed in the certified letter you received on February 4, 1992. Rather than returning the claims to you, the record of the claims will go into a rejected status and remain in that category until payment is received from you. The account will continue to accrue interest, and any fees will not be returned whether the claims are investigated or not.

This will be your last notice until such time as the findings of the Director are included in his report to the Court of the water right claims in that area. Without further payment on the claim fee account, the findings of these claims will be that the claims were rejected for insufficient fees.

If your payment and this letter pass in the mail, I apologize for this letter.

Sincerely,

Donald V. Shaff
Manager, Adjudication Section
