Dear Water User:

We are currently in the process of reviewing adjudication claims in Basin 31, in preparation for submitting recommendations to the Snake River Basin Adjudication Court.

In reviewing your claim(s) listed above, it appears the irrigated acreage exceeds what is authorized by the claim(s). To provide for irrigation of the additional acres, you need to file an "enlargement claim" or perhaps amend the claim(s) listed above.

Please contact me at (208) 525-7161 if you have further questions or would like to make an appointment to file or amend a claim.

Sincerely,

Byce A. Contor

I grant to my agent full power and authority to do everything necessary in exercising any of the powers herein granted as fully as I might or could do if personally present and fully competent, hereby ratifying and confirming all that my agent shall lawfully do or cause to be done by virtue of this power of attorney and the powers herein granted.

1. General Grant of Power.

My agent shall have power to exercise or perform any act, power, duty, right or obligation whatsoever that I now have or may hereafter acquire, relating to any person, matter, transaction or property, real or personal, tangible or intangible, now owned or hereafter acquired by me, including, without limitation, the powers specifically enumerated in this instrument. Generally, my agent shall have power to do and perform all matters, transact all business, and make, execute and acknowledge all contracts, orders, deeds, mortgages, leases, assignments, assurances, and instruments of every kind which may be requisite or proper to effectuate the purposes of this general power of attorney.

2. Specific Powers.

Without in any way limiting the generality of the power and authority conferred upon my agent by this instrument, my agent shall have and may exercise each of the following specific powers:

(a) Power to Acquire and Sell. To acquire, purchase, exchange, grant options to sell, assign, release, convey, mortgage, hypothecate, lease and accept and take possession of real and personal property and interests therein, both tangible and intangible, upon such terms, conditions and covenants as my agent shall deem proper and to sign, seal, execute and deliver and acknowledge such deeds, leases, contracts, assignments, indentures, agreements, mortgages, deeds of trust, bills of sale, security agreements and related forms, exchange agreements, bills, bonds, notes, receipts, releases and satisfactions of mortgages, security interests and judgments and such other instruments in writing as shall be proper.

(b) Borrowing and Banking Powers. To borrow moneys on my behalf and to sign, seal, execute, deliver and acknowledge on my behalf such promissory notes, bills, bonds, or other evidence of indebtedness and such mortgages, deeds of trust, security agreements, pledges, or other documents to secure the payment of borrowed funds as my agent shall deem proper. To make, receive and endorse checks and drafts, deposit and withdraw funds, acquire and redeem certificates of deposit, in banks, savings and loan associations and other financial institutions, and to release such mortgages, deeds of trust, or other security instruments as may be necessary or proper in the exercise of the rights and powers herein granted.
