On August 1, 2002, *Partial Decrees Pursuant to I.R.C.P. 54(b)* were issued for the above listed water rights. A *Motion for Relief from Partial Decree to Correct Clerical Mistakes* was filed on October 10, 2002.

A hearing was held November 12, 2002. At the hearing the United States presented evidence that some of the overlapping water right numbers listed in the partial decrees contained clerical errors. In addition, the United States presented evidence that the average annual diversion volume for 31-07616 contained a clerical error. This Special Master is persuaded that the errors were clerical and should be corrected. The deadline for filing motions to alter or amend is January 28, 2003.

Therefore, based on the file and record herein, IT IS RECOMMENDED that the *Motion for Relief from Partial Decree to Correct Clerical Mistakes* be **granted** and that these water rights be decreed with the elements set forth in the attached *Special Master's Recommendations for Amended Partial Decrees*.
