TO WHOM IT MAY CONCERN:

I, VENICE McGARRY, make the following statement concerning water rights on the property known as the McGarry Ranch in Kilgore, Clark County, Idaho:

There are two unnamed streams of water coming from the property known as McGarry Canyon:

1. A stream running out of the canyon watering property in the W1/2SW1/4 of Sec. 26, Twp. 13 N., R. 38 E.B.M., which was used for irrigating 50-60 acres and stock watering beginning approximately 1910 and continuing until the present date.

2. A stream running out of the canyon watering property in the SE1/4SW1/4 of Sec. 26, Twp. 13 N., R. 38 E.B.M., which was used for irrigation and stock watering beginning approximately 1889. It irrigated about 20 acres between the house and the road and watered cattle in that area at that time and until the present.

My recollection of this information is based on family records and personal knowledge.
