Dear Director,

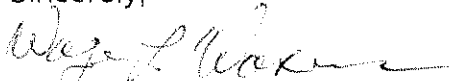

March 16, 2005

I had left the country for several months. Upon my return just the other day I read your letter dated January 7, 2005. In that letter it had a copy of my Water Right Claim #84-4011A; however, it did have a copy of my other Water Right Claim #84-7245. Is there a reason for that?

Could I please have a written recognition by your office of this water right?

Thank you very much.

Sincerely,

Wayne L. Wasem
