Dear Mrs. Anderson:

Per our telephone conversation today, I am sending you a Change in Water Rights Ownership form. I apologize, I told you that you would need a deed showing the change of ownership, when in fact what we need is a copy (photocopy is fine) of the death certificate.

Please fill out the enclosed Change in Water Right Ownership form and return with a copy of Cleon Anderson's death certificate.

If you have any questions feel free to contact this office at 208-525-7161.

Respectfully submitted,

Katy Jackson
