Dear Ms. Brown,

Thank you so much for helping me understand my water right amendments and claim. Due to a previous misunderstanding on my part, I overpaid with my original filing on March 11, 2005. I paid \$100 when I should have paid \$59 for a 9.3 water right claim, and nothing for the 2 amendments. Please refund my \$41 overpayment to me.

Thank you,

Lucy Littlejohn
