Subject: Big Flat Ditch Service Area

Dear Mark,

I have made a few changes on the map. I'm not sure how specific you need to get, but the one MAJOR change is where I've drawn the blue X's on the West side of the Salmon River. There is really no way that the ditches can service someone on that side of the river. Also, the other 3 X's in section 8 where I tried to change the lines in yellow. Those properties are irrigated out of Carmen Creek.

The Big Flat Ditch Company has two main ditches. FYI, I have traced the Big Flat Ditch in brown, and the McNutt Ditch in purple.

Please note the below name and address change.

Sincerely,

Bill Slavin
