Met with LaVell and Steve Johnson
at the site of their claim

LaVell has given all of the
Central Teton Canal shares to
new owners of 80 acres next
to the highway in exchange for
the Grand Teton Canal rights.

This claim for LaVell Johnson will
be entirely from Grand Teton Canal.

I gave Mr. Johnson a C.O. form
and told him how to file it.

DD

12/22/04 DAVID LAVELL JOHNSON - QUESTIONS OF HOW THIS
CLAIM IS TO BE SPLIT AND WHAT HAPPENED TO THE
CENTRAL TETON CANAL CO.

1. CENTRAL TETON CANAL CO. IS DEFUNCT - NO SRBA CLAIMS
2. THE BOAC (SEAW AND NESW) WERE SOLD TO TETON VALLEY ASSOC.
LAVELL ALSO EXPLAINED THAT HE THOUGHT AN ERROR HAD BEEN
MADE ON FILING THIS CLAIM - IN THAT TOO MUCH WATER WAS
CLAIMED. CENTRAL TETON CANAL CO. SHARES APPARENTLY
EQUAL 1" / SHARE BUT 240" WAS CLAIMED ON 2002 AC.
I EXPLAINED THAT I WOULD ADJUST THE QUANTITY TO BE
1" / AC INSTEAD (AS SPLIT).

THERE ARE NO CENTRAL TETON CANAL CO. SRBA CLAIMS
THAT THE USERS DID NOT WANT TO MAINTAIN THE SYSTEM
OR FILE THE CLAIM - ORIGINAL WATER RIGHT NO. 22-00198.

22-12012 SPLIT TO 22-13337 AND 22-13338
