RE: Amendment of Snake River Basin Adjudication (SRBA) claim 67-11487

Dear Mr. Lawrence,

Per our conversation on April 19, 2005, I am sending you an amended claim for decreed water represented under SRBA claim 67-11487.

I made three changes. 1) I changed the diversion rate from 11.65 cfs to 12.0 cfs, or 600 inches of water. 2) I listed the full place of use as determined by Sorenson Rinehart Ditch Co by drawing in the place of use on a map and submitting it to us. The total acreage claimed was changed from 611.6 to 736.2 acres. 3) I changed the location of the point of diversion slightly. The original listing put the point of diversion in the NENWNE of Section 9, but after looking at the GPS point taken (reference metal tag # DA0014028) the actual location of the point of diversion is in the SENWNE of Section 9. This change is very slight as it is really close to the line, but I feel it better describes this element of your water right.

As we discussed, Sorenson Rinehart Ditch Co originally paid \$662 for claim 67-11487. \$50 claim fee, and \$1 per acre for 611.6 acres. With the addition of 124 acres, there is an additional filing fee of \$1 per acre. Thus, due to that addition of claimed acres, there is a fee of \$124.00.

Please look over the claim and initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it with the filing fee of \$124.00 to my attention at the above address.

Please feel free to contact me with any questions.

Respectfully submitted,

Craig L. Saxton
