State of Idaho
Department of Water Resources

Dear Sir; Attention Mr. Dave Shaw

The water rights shown on the enclosed legal description were not filed by the due date of 6 October, 1988.

The property was sold by William O'Brien on a Contract of Sale dated October 15, 1979 to Carl and Kristine Brunson.

An assignment of Contract was taken by Richard T. and Barbara A. Knight on October 12, 1987.

Richard and Barbara Knight did not know the water rights had not been filed until the property was sold to Richard J. and Susan M. Levin (set for closing April 15, 1989). This sale took place on 9 March, 1989.

It is the request of Richard and Barbara Knight that an extension be allowed and the water rights be filed in the name of the new owners, Richard J. and Susan M. Levin as soon as possible.

Richard T. Knight, writing this letter is also the Broker for All West Realty handling the sale of the property to the Levin's.

Upon your receiving this letter please call All West Realty (208-354-8601) collect if you have any questions.

During the time the Water Resources Board was set up in Driggs, I spent considerable time filing rights for many out of state clients. Their water rights would be protected by my efforts, and had this 30 acres not sold at the present time, I may have lost these decreed rights.

I wish to thank you in advance for your attention to this matter.

Sincere and kindest regards,

Richard T. Knight
