Dear Sirs;

Enclosed are claims for 3 water rights in Teton County, Idaho. You will note that the normal filing fee plus late fees are included in the enclosed check.

The letter and Request for Extension enclosed are self-explanatory.

I have talked with Mr. Brunson. The reason these water rights were not filed, is the Water Board set up in Driggs told him he did not need to file because the water right diversion point was in Wyoming.

The new owners of the Brunson property (Levin's) would like the water rights filed. I have also talked with Boise and they suggest that we file.

We are asking that you consider not charging the late fee on the decreed rights, but, we know the late fee on the well is valid.

Please return the completed filing to me for deposit with the Levin's.

Thank you for your consideration in this matter.

Sincere and Kindest Regards.

R. T. Knight
