8/5/04 This pond and pumps are shared with claim A2202137.
This is currently a family operation where land with a 1950 claim is sharing in an 1887 water right.
This has been an historical practice since at least the mid-70's because claimant, Weston Ripplinger, of right A2202137 installed the system.

2/23/05 MR. RIPPLINGER REQUESTED ENLARGEMENT BE WRITTEN FOR BOTH HO AND ARGYLE (AP GROUP). THAT THE SYSTEM WAS INSTALLED BY RIPPLINGER IN 1961 WHEN HE OWNED BOTH PARCELS
