Re: SRBA Subcase No. 29-4060

Dear Special Master Bilyeu:

The Department recently discovered a clerical error in the Amended Director's Report filed in the above subcase. Any reference to water right no. 29-13319 in the remarks for water right no. 29-4060 should be deleted. Water right no. 29-13319 is a disallowed water right as reflected in the attachment to the Marsh Valley Development Settlement Agreement.

I propose that any reference to water right no. 29-13319 be removed in your Special Master's Report and Recommendation for water right no. 29-4060 in order to avoid confusion as to the status of 29-13319. If you have any questions concerning this matter, please contact me at (208) 287-4810.

Very Truly Yours,
