Re: Notice of Error Reply for Water Right Nos. 22-13112 and 22-13111  
Our File No. 1697-4

Dear Mr. Ruberry:

This letter is to confirm the telephone conversation my office held with Katy Jackson of your office this morning requesting an additional extension of time to respond to the Department's letter of February 4, 2005 regarding the Preliminary Director's Report. In that conversation we requested an extension of time to review the recommendations and if necessary file the Notice of Error Reply form for water right numbers 22-13112 and 22-13111. Ms. Jackson informed my office that the deadline for return of the Reply form was informal and that we could submit the form when we had an opportunity to review this matter. We will be responding to the letter as soon as possible.

If this information is incorrect, please contact me at once. Thank you for your assistance with this matter.

Sincerely,

Michael C. Creamer
