

6/26/02 - NOON - Office visit with Carl Phillips.

The POD for the Portneuf Water is on the imaginary line of the SENE & NESE of Section 18, where the old 'Portneuf channel' comes close to the new channel.

Carl owns the property up to the new canal. He has a pump that he moves along the old canal and flood irrigates the land in sec 17, 19 & 20.

Portneuf water 363.5 acres.
Ground water 400.0 acres licensed ($1''/\text{acre} = 128 \text{ ac}$)
owns 499 acres total.

- Carl will get me a copy of his warranty deed.
- POD change from sec. 8 to sec. 18? Carl will check on it.
- Carl irrigates all of his land with b.w. & river water. PPLS.
- Nothing is in CRP.
