So LORANCE

The POD is a ways from POLD

The water is flumed across Brucknerdges ditch from Spring Creek and is brought west in a series of ditches.

When the water is used east of this ground it provides waste water and brings up the sub to help irrigate this ground.

As the water fills up the barrow pit along the road the claimant uses culvert under the county road and checks in the barrow pit to build up the sub.

There are a few high spots but they aren't hills and this is all pasture so I didn't mark out those few spots.
