6. If the change in ownership affects the entire water right for each water right or adjudication claim owner listed in item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7. If the change in ownership divides the water rights among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the boxes below to describe your water rights after the change (one water right per box; you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount.
