To Whom it may concern:

My late husband, Guy R Hillman and I used our acreage around the slaughter house south of Driggs for hay and pasture. We used sprinklers on the south 20 acres from the late 1960s to the late 1980s. After that time we rented it for pasture and ranching. We also had a commercial slaughter operation for which we used well water.

I have ^{HAD} no success finding anyone who worked for us during this time who is still living. ^{TO VERIFY}
