WATER RESOURCE
WESTERN REGION

I Norris M. Murdock purchased in the fall of 1947, this 80 acres, which is a tract of land in Section 22 township 7 South Range 36 East Boise Meridian which is currently the Murdock Subdivision. I purchased this property from Roy Cardon, who at the time was using water from Rapid Creek and tributaries, which has an old Indian Decree water right. We would divert Jackson Creek, which runs through the place to Rapid Creek until such creek would become low of water. Then we would divert water from Rapid Creek. This has been happening before I purchased the property to the present time, June 26, 2002. As far as I know, this water has been used this way since the Indian water rights was put in place.

I declare this statement to be true.
