Ref: Lapsed Permit 75-14062
James B. or Mary Angelia Brownlee

Dear Roxanne,

Concerning permit # 75-14062, I had originally requested the transfer in order to build a small pond on my property. Due to construction costs I later decided to cancel my "pond" project. I allowed the permit request to lapse, thinking my water rights would return to their original specifications.

I have no intentions to request the permit 75-14062 to be reinstated.

Could you please make the adjustments to my file reflecting this and have my water rights filed as they were prior to my request for the change.

Thank you and I apologize for the trouble.

Sincerely,

James Brownlee
