1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

We disagree that this right has been disallowed!!

2. Describe the changes you wish to make in the proposed recommendation:

*We do not believe this right has been abandon!
Our records show otherwise. Measurements show a
consistent use.*

3. Give a brief explanation as to why you disagree with these portions:

*The measured record shows that we have used
this water right during the time period mentioned
for a number of different years*

(No) I AGREE with this proposed recommendation: no changes need to be made.
