RE: Amended Notices of Claim to Water Right # 33-7173 and # 33-7175

We Allen Farms Inc. request that you will please set aside the partial decrees listed below. Please find the enclosed Amended Notices of Claim to the Water Right # 33-7173 and # 33-7175. We request that the priority dates on both claims be changed from 05/29/85 to 03/22/55.

For many years we have been attempting to get these dates changed, but due to illness and lack of factual or legal documentation, we have been unsuccessful. Recently we have been given a copy of the "Permit and Licensed Rights for Hope Land and Water Co. Inc., and W.T. Williams", as recorded in the Department of Reclamation for the State of Idaho.

We hope that this will be both the factual and legal documentation required to get these priority dates changed.

Sincerely,

Norman G. Allen
President
Allen Farms Inc.

INSTRUCTIONS

This form is used to file a late Notice of Claim or an amendment to a Notice of Claim in a reporting area where the Director's Report has been filed. Forms may be obtained from the SRBA Court, the Idaho Department of Water Resources (IDWR), or you may copy or reproduce this blank form. If you copy or reproduce this form, please copy on both sides with the even-number pages upside down.

The water right number for your late or amended claim must be indicated above in the blank space following "Subcase." You must use a **separate form for each** late or amended Notice of Claim.

This form has been adopted by the court in ***SRBA Administrative Order 1, Rules of Procedure*** (amended Sept. 30, 1996), Section 4, which may be consulted for further information.

By filing a *Motion to File a Late Notice of Claim* or a *Motion to File an Amended Notice of Claim*, you certify that it is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and is not filed for any improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation.

☐ I am providing legal and factual documentation for my claimed use of water. You must describe these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)

☐ I filed a Notice of Claim and elected to defer judicial proceedings on my domestic or stock watering use. I desire to reinstate my Notice of Claim for domestic or stock watering use.

☐ I did not file a Notice of claim to the use of water in the SRBA because:

A Motion to File a Late Notice of Claim will require a hearing before the Presiding Judge.
