Re: Claim 22-11708

Dear Mr. Ruberry,

Thank you for taking the time to discuss and review the Helm Energy LLC and Kindred LLC (hereafter "Helm/Kindred") water right claim.

As discussed on the phone, there seems to be some mix up of paper work that has been put in the Helm/Kindred claim. The records that were sent show that James M. Klausman and Jacklyn S. Klausman are related to the Helm/Kindred claim.

Though the Klausmans own property here in Teton Valley, they do not seem to be directly related to the claim of Helm/Kindred. The Helm/Kindred claim should stem from the prior owners Lorin A. Murdock and Dorothy Murdock.

I look forward from hearing from you or your office when this problem has been addressed. I will be holding off on gathering the affidavits of the Murdock family that show beneficial use and date of use until I hear further direction on what you might need regarding the Helm/Kindred claim.

If you have any questions or if you would like to further discuss this matter, please send the information to our office or give us a call at (208) 354-2244. I look forward to hearing from you.

Sincerely,

Chad Marlowe
