1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

The acreage has been arbitrarily reduced to 16 acres from 30 acres. This is a huge error. I raise hay and graze livestock on these 30 acres and I have traditionally irrigated these acres.

2. Describe the changes you wish to make in the proposed recommendation:

Re-instate the Full 30 acres.

3. Give a brief explanation as to why you disagree with these portions:

16 acres is not what I actually farm and irrigate

 I AGREE with this proposed recommendation: no changes need to be made.
