RE Evidence of Priority for Water Right Claim 22-11708

Dear Mr. Buxton:

I am sending forth the facts surrounding historic water use on a portion of the Klausmann Lazy K Ranch. The facts are as I understand them after you explained them to me.

The Klausmann Lazy K Ranch is located near Driggs, ID and described here as 325 acres composed of the SW ¼ Section 33; SE ½ SE ¼, SW ¼ SE ¼, SE ¼ SW ¼ Section 32; T 5 N, R 45 E, Boise Meridian. You formerly owned 275 ac. of the ranch and irrigated 70 acres (37 ac. SWSWSW Sect. 33 and 33 ac. SESESE Section 32 T. 5N R. 45E) under water rights claim 22-11708. I also understand that you put this water to beneficial use in June 1954.

If you are in complete agreement with the above facts please sign this letter in the presence of a Notary of the Public and return it to me. Thank you for your cooperation regarding this matter.

Sincerely,

Jeffrey Klausmann

By signing below, I Jaydell Buxton, solemnly swear that the statements contained in the foregoing document are true and correct.
