claim for TOPONCE water for the now defunct
Westside Canal Co.

1/21/03. Per Ernie Carlser, recommend these rights
and let some come forth with any additional
Evidence of use or NONUSE.

My conversations with Steve Hebdon has been that as
he remembers this TOPONCE water was split equally
between Floyd Banks, Russell Hebdon & Joe Holbrook.
from the syphon.

POU claimed under this right was based on the
decreed POU under the Union Grain & Elevator
decree.
