## Notes

2/12/03 - No change in POD, Matches decreed POD.  
The water however, is diverted through  
the feeder canal instead of the  
West or Bringham ditches.

Claimed Pou is also decreed Pou for  
197 acres.

POD: TO Ponce @ head of feeder Canal.  
Pt of injection at Reservoir.  
pt of redirection at syphon.

POD changed because the decreed ditch  
WAS SESE Sec. 33, T 63, R 39E.  
(West and Bringham Ditch) was plowed  
in and the water is diverted through  
the feeder Canal.
