E. REASONS SUPPORTING OBJECTION(S):

Section 18, T4S, R44E is an irregular section. The SWSW quarter-quarter is not a regular or customary 40 acre parcel. It is 27.81 acres, the north half of which is National Forest System land, the legal survey of which is Government Lot 5. The south half is private land legally surveyed as Government Lot 6. The point of diversion appears to be on the private land. The water right recommendation should include Lot 6 in the legal description of the place of diversion.
