Roger Warner

The error in the property description you found has been corrected. . . Thanks !!

The problem now is to get the water rights 29-131, 29-133, 29-2449, 29-2048 into my name.

I paid \$185,000 on Nov 21, 2000 for an undivided one-half interest of 3 parcels of property that made up the Mabey farm. This warranty deed protected my interest as well as Dona Rae Mabey's interest in the farm.

I paid \$165,000 on Feb 14, 2002 for an undivided one half interest of 3 parcels of property that made up the Mabey farm. This gave me full ownership. In order to obtain this information for getting water rights, both warranty deeds need to be looked at by DWR to determine that water rights need to be in my name.

I am sending a copy of the latest warranty deed dated May 14, 2003 to clarify this. I hope this last warranty deed doesn't confuse the issue. There seems to be enough warranty deeds even before this last deed of May 15, 2003 to substantiate this. It would be nice however to have 1 warranty deed.

Hope you can get water rights in my name only.
I am sending the latest warranty deed (copy) dated 5-15-2003.
Thanks Sammi Holbrook
