At a hearing held on the matter on June 21, 2005, the Court requested that IDWR file an I.R.E. 706 report in response to the questions identified. IDWR concurred that the questions should be addressed through the filing of a report and further requested a 90-day period within which to file the report.

THEREFORE, IT IS ORDERED that the above-stated report be filed with the Court within 90-days or on or before September 19, 2005. Following a review of the report the Court will determine to what extent, if any, further proceedings are necessary.
