POU shown is served by the Bell-McCracken Ditch or Gale-Moffat Ditch both of which are delivered from the South side of South Leigh Creek. There is NO physical way this right can be delivered to claimed lands in T6N, R45E, Sec. 28 SESW. The right would have to be diverted from the north side of South Leigh Creek and cross Spring Creek or be injected into Spring Creek and be rediverted through the Tetonia Canal. **It don't happen.**
