RE: Notice of Change in Water Right Ownership for Snake River Basin Adjudication
(SRBA) claim 29-00274D

Dear Mr. Leavitt:

It has come to our attention that you may have recently purchased a tract of land in Bannock County. According to our records, the property to which I am referring to was most recently owned by Roger and Diane Phillips. The legal description is as follows:

T07S R35E S30 SE1/4 NE1/4

This property was filed on in the Snake River Basin Adjudication (SRBA). IDWR is currently in the processing of reviewing the Adjudication claims in basin 29, and will submit a Directors Report in September of 2002. We recommend that if, in fact, you now own the property in question, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a "copy" of your Warranty Deed and legal description of the property you have purchased.

In addition, when submitting the Notice of Change in Water Right ownership, please provide a short statement stating how long the pump or point of diversion has been in it's current location, and whether Mink Creek water is used to irrigate the lawn around your home, or is just used for the pasture.

If you have any questions regarding this matter, please call 334-2190.

Respectfully submitted,

Craig L. Saxton
Water Resource Agent
