Subject: FW: Rotation Remark

Craig,

My understanding is that the following be added as a quantity remark:

The water rights listed below shall only be used in rotation as provided for in Stewart v. Damron, Decree (Fifth Jud. Dist. Ct., Bannock County, June 22, 1906) and are limited to a total combined diversion rate of 0.20 cfs: Right Nos.

The waterusers will have to work out their rotation schedules. I don't see a need for a remark requiring this, unless someone else has a different idea...

Dave

Subject: RE: Rotation Remark

Hello,

I need some guidance on if we are adding the remark requiring that a rotation plan for that year be submitted to the Department for administrative purposes.

I can not tell from the E-mail if a decision was made on this subject.

Thanks,

Craig S.
