9/6/01: POU - Within Decreed POU

: Diversion Rate - Inch / Acre

: Source → As decreed

6-26-02 FE : Ditch along side of Hedge - called Claimant
Big house on Right - White Color Board Fence

Address 229 N Inkom Rd

: Lawn looks Irrigated - Maybe 1/2 acre.
No obvious signs of How Rapid Creek Water can Reach Property

7-15-02 : No Beneficial Use Found

1-7-03 : No visibal diversion works From ditch

: Ditch that carried Rapid Creek water is located on the North side of the road. Water from that ditch doesn't appear to be able to reach claimed POU.

1-8-02 : Called and Spoke with Claimant. He described POD as being same Ditch that delivers Gilberts water. Said water diverted from Gilberts Ditch flows under road just E of freeway into buried 4" pipe and irrigates 3 lots under this right.

I feel this new information is enough to recommend this Right.
