Re: Water Rights #75-4391 and Water Rights #75-4392

We purchased our property in 1974 and at that time researched the property lines, water rights, and other pertinent facts regarding our property purchase. The information we gained is the same as indicated in your letter.

Since the beginning of ranching on this property, all irrigation has been done with waste water from the Salmon River.

Sincerely,

Evelyn M. Stricklan
