RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #79-14102

Dear Claimants:

We have reviewed the Notice of Claim to a Water Right that you filed for your property in Idaho County. The priority date you have entered on this claim is after May 20, 1971, which is the date it became mandatory to obtain a permit for any new appropriation of water from a surface water source, i.e. a spring. Therefore, we are giving you the opportunity to withdraw your claim and submit an Application for Permit for this water use. We can also apply the \$25.00 claim fee you have already paid toward the application fee if you decide to file an Application for Permit. A form to withdraw the claim and an Application for Permit are enclosed for your use.

However, if you decide to pursue this claim as filed, then we will recommend it to the SRBA Court as disallowed, and you will have the opportunity to file an objection to our recommendation.

If your mail delivery address changes in any form, please contact us in writing so we can update our records to assure you receive important notices concerning your claims.

Sincerely,

Carter L. Fritschle
