RE: New Snake River Basin Adjudication (SRBA) claim for Jackson Creek water.

Dear Dennis and Patricia,

The Idaho Dept. of Water Resources is currently in the process of reviewing SRBA claims in your area. My initial review indicates that water used for irrigation purposes on the ditch that services Murdock Subdivision is both Rapid Creek and Jackson Creek water.

You claimed a portion of original decreed right 29-00294. The decree states that this right is to be delivered from the main channel of Rapid Creek. In order to continue use of Jackson Creek water to irrigate your property, a separate claim for the Jackson Creek water needs to be filed.

For your convenience enclosed is a claim for the use of Jackson Creek for irrigation purposes. Please look over the claim and initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it to this office with the filing fee of \$50. Note, that I am soliciting claims for Jackson Creek water from all the users on the ditch.

In addition, I need to verify that both Rapid Creek and Jackson Creek water is used on your property. If you do not use water from the ditch system that serves Murdock Subdivision, then I would not file the Jackson Creek claim since I will have to disallow it anyway.

I plan to be in the Inkom area during the week of July 15 – 19 to do field exams.

Please feel free to contact me if you have any questions.

Respectfully submitted,
