RE: Request for copy of Warranty Deed

Dear Dennis and Patricia,

In the letter I sent you on July 2, 2002, I neglected to request a copy of your Warranty Deed. The reason I need a copy of the deed is that several of the deeds along for Murdock Subdivision state how much water per acre was sold when Norris Murdock subdivided the property. Some of the deeds I've seen in the area speak of a 1/2 inch per acre, some speak of 1 inch per acre, and some are silent. There are times where a deed will exclude all water rights. Please mail or fax me a copy of your deed as soon as possible.

Feel free to contact me if you have any questions.

Respectfully submitted,
