Dear Roxanne Brown,

In reference to the Evidence of Priority Dates you requested for claims 75-4105, 75-10103, 75-11047, 75-10052. Edgar and Mrytle Edwards are currently in Alaska. I have mailed them copies of the information you sent to their address. I talked with Edgar about writing affidavits from Alaska, but he does not feel comfortable. He also has additional information pertaining to the priority dates in his safety deposit box which neither my husband Dale nor I can get into.

Edgar will leave Alaska early this year to come home and provide you with the information you have requested. His brother is visiting him this week from Oregon and will be leaving on the 23rd. Ed and Mrytle will try to leave on the 25th. It takes them about 8 days to get to Salmon. Edgar should be able to have all the evidence needed for proof supporting the priority dates claimed and the historic use of the water by the 15th of August, at which time he will mail it to your office in Boise.

I have talked with Bob Foster about this situation and he has assured me this is not a problem. If you need to contact me for any reason my home phone is 208-756-3932.

SINCERELY,
