RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #36-16314

Dear Claimants:

Your Notice of Claim to a Water Right was received from the SRBA Court recently. I have enclosed a computer-generated copy of your claim. I have also enclosed your receipt #C078650 for the fees you paid. Please retain the receipt for your records.

Item #2 on your Notice of Claim appears to be the date you signed the claim as opposed to the date water was first used on your property. We have a record, well ID #379342, of a well possibly drilled on your lot in 2003. Item #10 was missing the direction on the Township and Range. We have modified these two items (see highlights). Please review the enclosed claim to assure that the modifications are in agreement with the claimed water right. If they are **not**, please let us know. Please initial any changes you make to your claim, make a copy for your records, and return the claim to my attention within 30 days. Only return your claim if you make changes to it. Otherwise, you may keep the claim for your records.

The Lot number you placed in Item #4 may be the subdivision lot. The section subdivision NE $\frac{1}{4}$ SE $\frac{1}{4}$ is not a government lot.

Your Notice of Claim will be investigated and reported to the Court in a future supplemental Director's Report. Please contact me at 208/287-4921 if you have any questions.

Sincerely,

Donald V. Shaff
Manager, Adjudication Section
