Re: Water Right Number: 75-4078E

Dear Ms. Brown:

This letter is in response to your letter dated June 29, 2005, with regard to the priority claim for water rights identified above and taken from your letter. I am responding on behalf of myself, Wendy Vinci and Frank A. Somers. We have reviewed the Water Right Notice of Claim which was included with your letter with the Lemhi County Assessor. As far as we can ascertain, and based upon the Assessor's input, the particular claim number and description of property which you provided to us does not relate to any property that we currently owned or have owned in the past.

Attached with this letter is a copy of the Adjudication of Claim which we filed when we purchased the property upon which we currently reside. Since we have owned our current property we have irrigated for pasture for cows, then for hay to market and we now grow and market Alfalfa. We also maintain a pond for habitat for waterfowl and other indigenous species. Subsequent to the time of our first purchase we have also acquired a contiguous property through foreclosure. Again, that property does not correspond to the description of property contained in your notice.

If there is some additional notice or information which you wish to provide to us, please do so. Please send it to me at the address on this letter. If there is any other procedure that we need to undertake, please advise me.

Very truly yours,

Philip M. Vinci
