RE: Notice of Claims to Water Rights for Hot Springs Ditch Company

Hot Springs Ditch Company
C/o George Turner
HC 85, Box 123
Bruneau, ID 83604

Dear Mr. Turner:

In a final review of the lands recommended under the Hot Springs Ditch Company, I found I had included Mr. Prow's lands that are covered under his decreed Bruneau River rights. Since these lands are already covered at the full amount allowed by the Brockway report I have removed 79 acres from the ditch company's recommendation, leaving 894 acres under the ditch company's claims with a total of 48.94 cfs in daily needs and 7.0 cfs in conveyance loss.

We have also been instructed to remove the place of use description by township, range and section from the ditch company's claims. The remark stating: "Use of this rights with the rights listed below is limited to the irrigation of a combined total of 894 acres within the boundaries of the Hot Springs Ditch Company in a single irrigation season",,, is the only description that is to be included on these claims in regard to the place of use.

Enclosed, for your information, are updated profile reports showing the recommendations I plan to submit to the Judge. If you have any questions or comments in regard to the changes I have made, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Kay'.

Dear Mr. Turner:

Enclosed are the revised recommendations on the Hot Springs Ditch Company claims. Please note that I have adjusted the recommendations on the claims you submitted amended claims for. I have also changed the remark on each of the claims to show the 972 acres are within the boundaries of the ditch company.

I have highlighted the changes on each of the enclosed profile reports. I will be working on getting a new map of the ditch company prepared. If you have any questions please do not hesitate to contact me.

Sincerely,

NAME OF PARTY

John B. UrquidiA51-00010

EMPLOYEE

Roxanne McCarthyA51-00011RE: PPU Affairs for Hot Springs Co.

John was in my office today to research Hot Springs Ditch Co. claims.

Hot Springs has used the principal of permissible place of use to file their claims and Mr. Urquidi strongly objects.

John does not wish for the 1893 decreed water that he feels is appurtenant to his land to be "spread" over all of the lands under Hot Springs Ditch Co.

Mr. Urquidi would like to be notified of our recommendations and will be submitting information concerning his rights.
